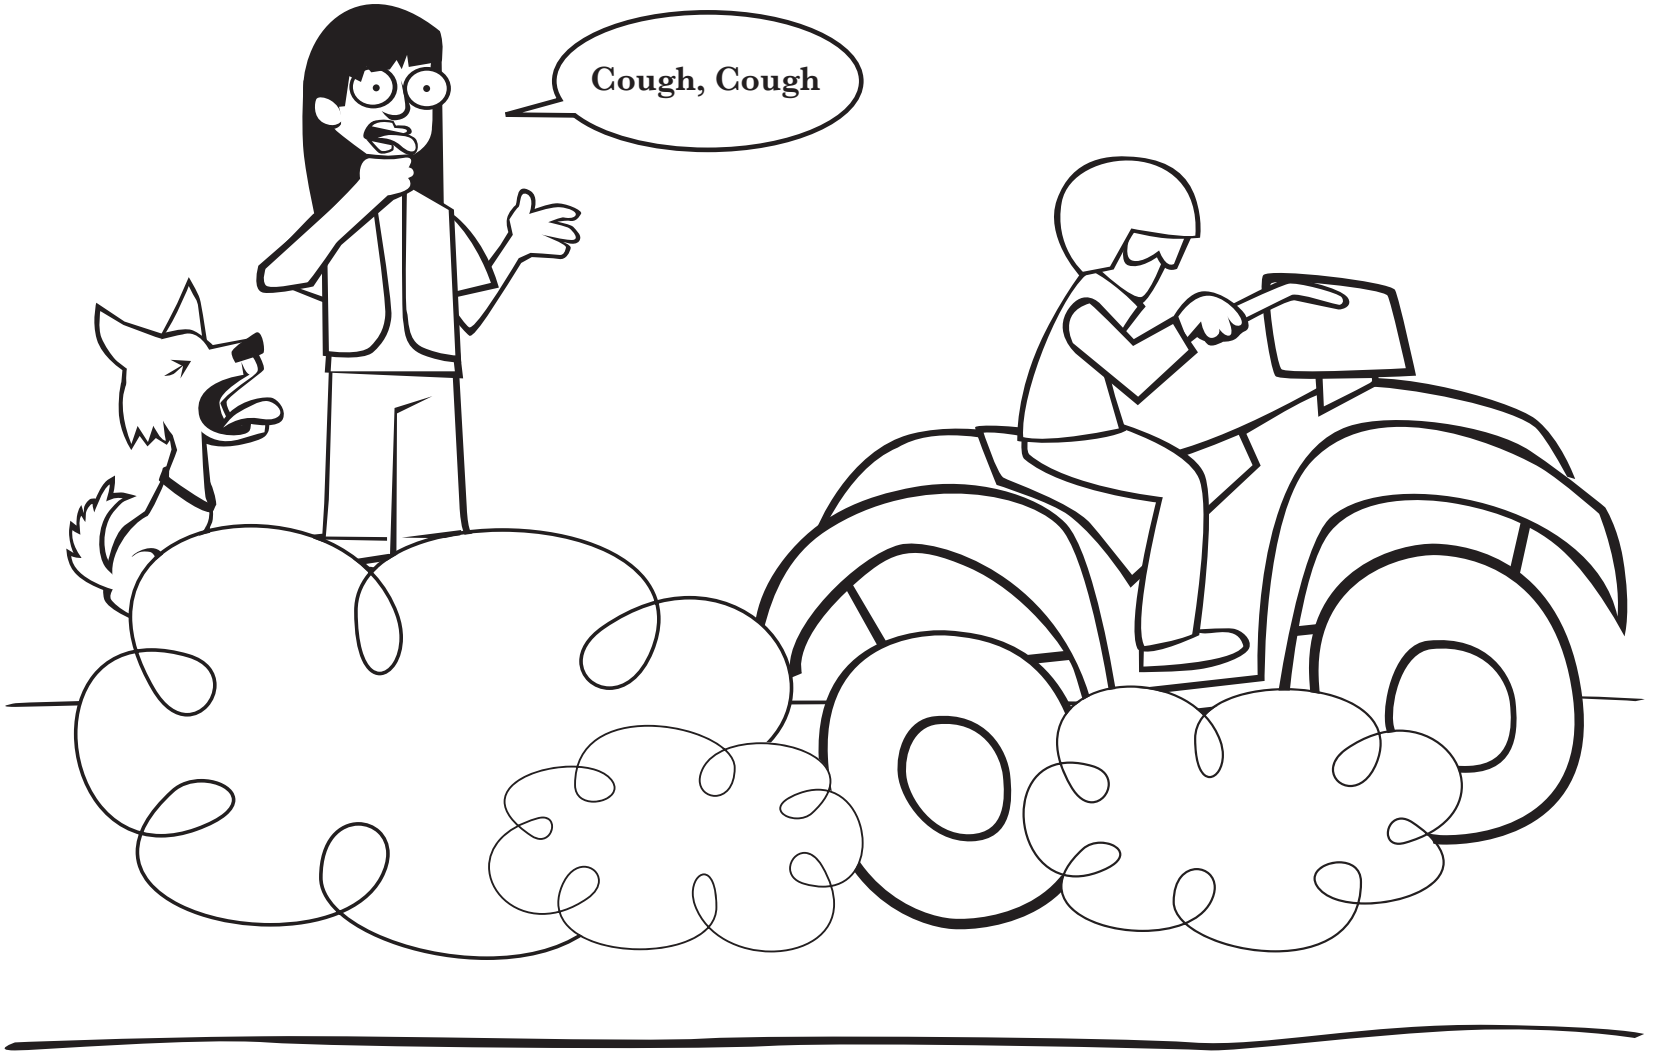
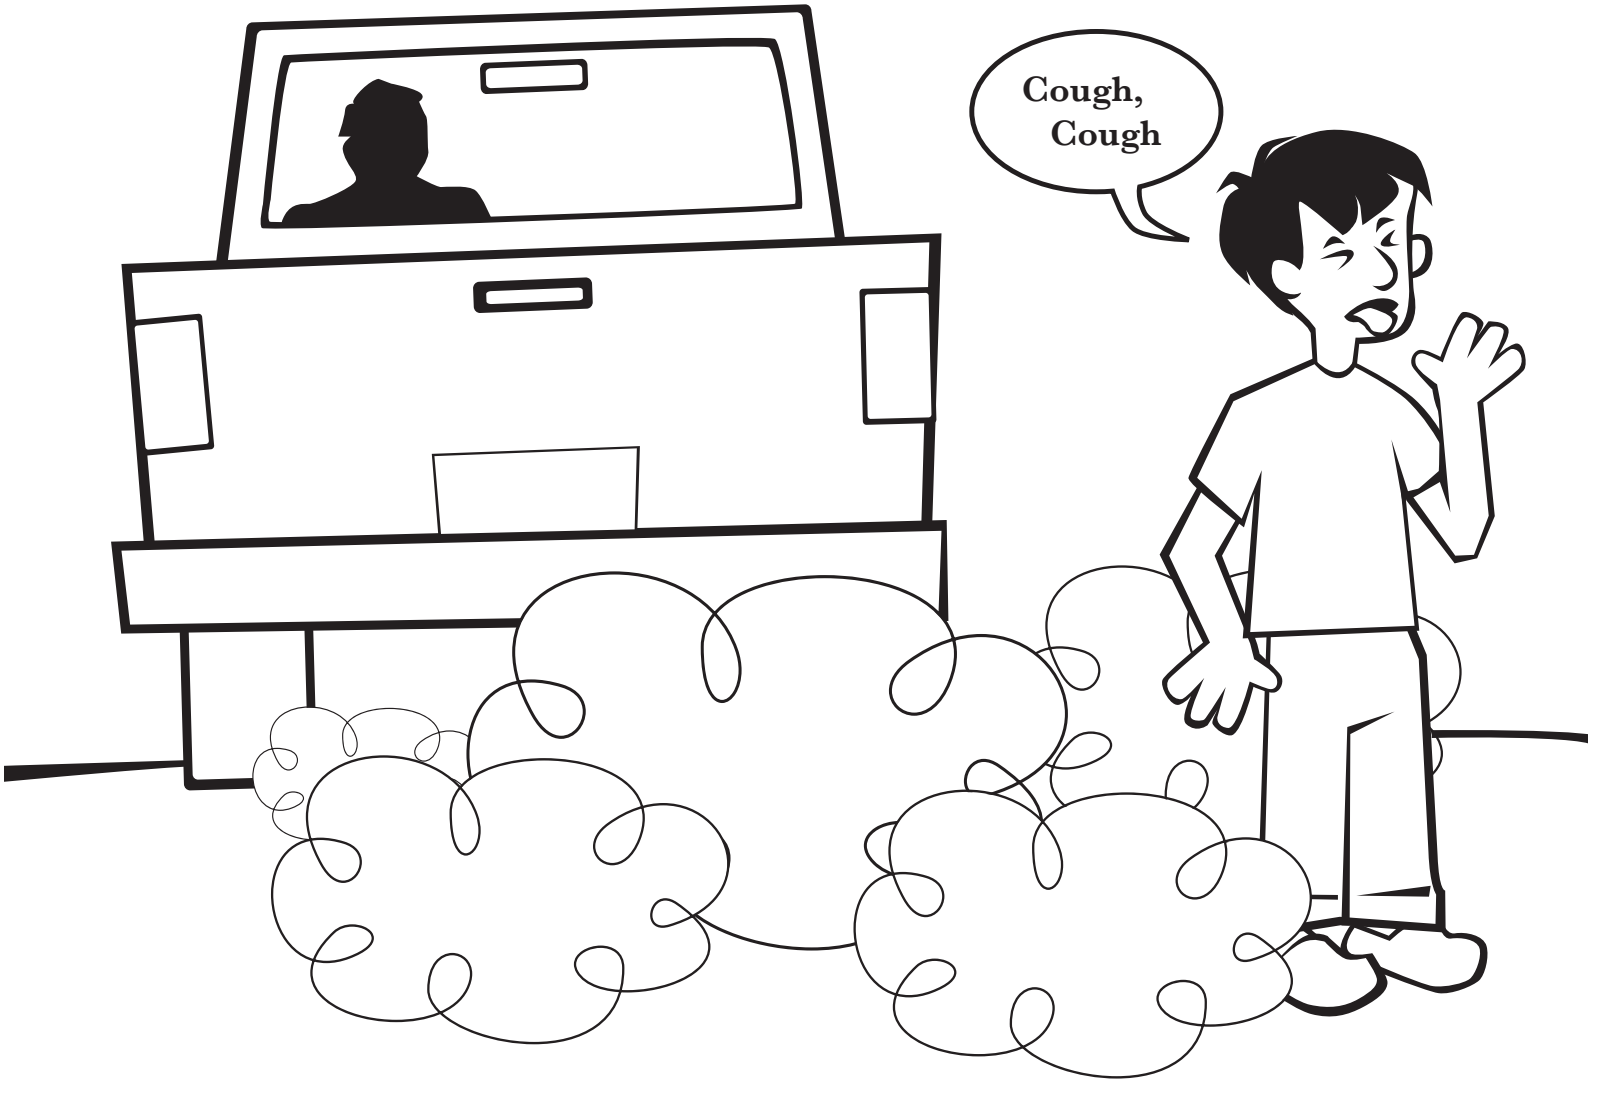
CLEAN AIR ACTIVITY BOOK

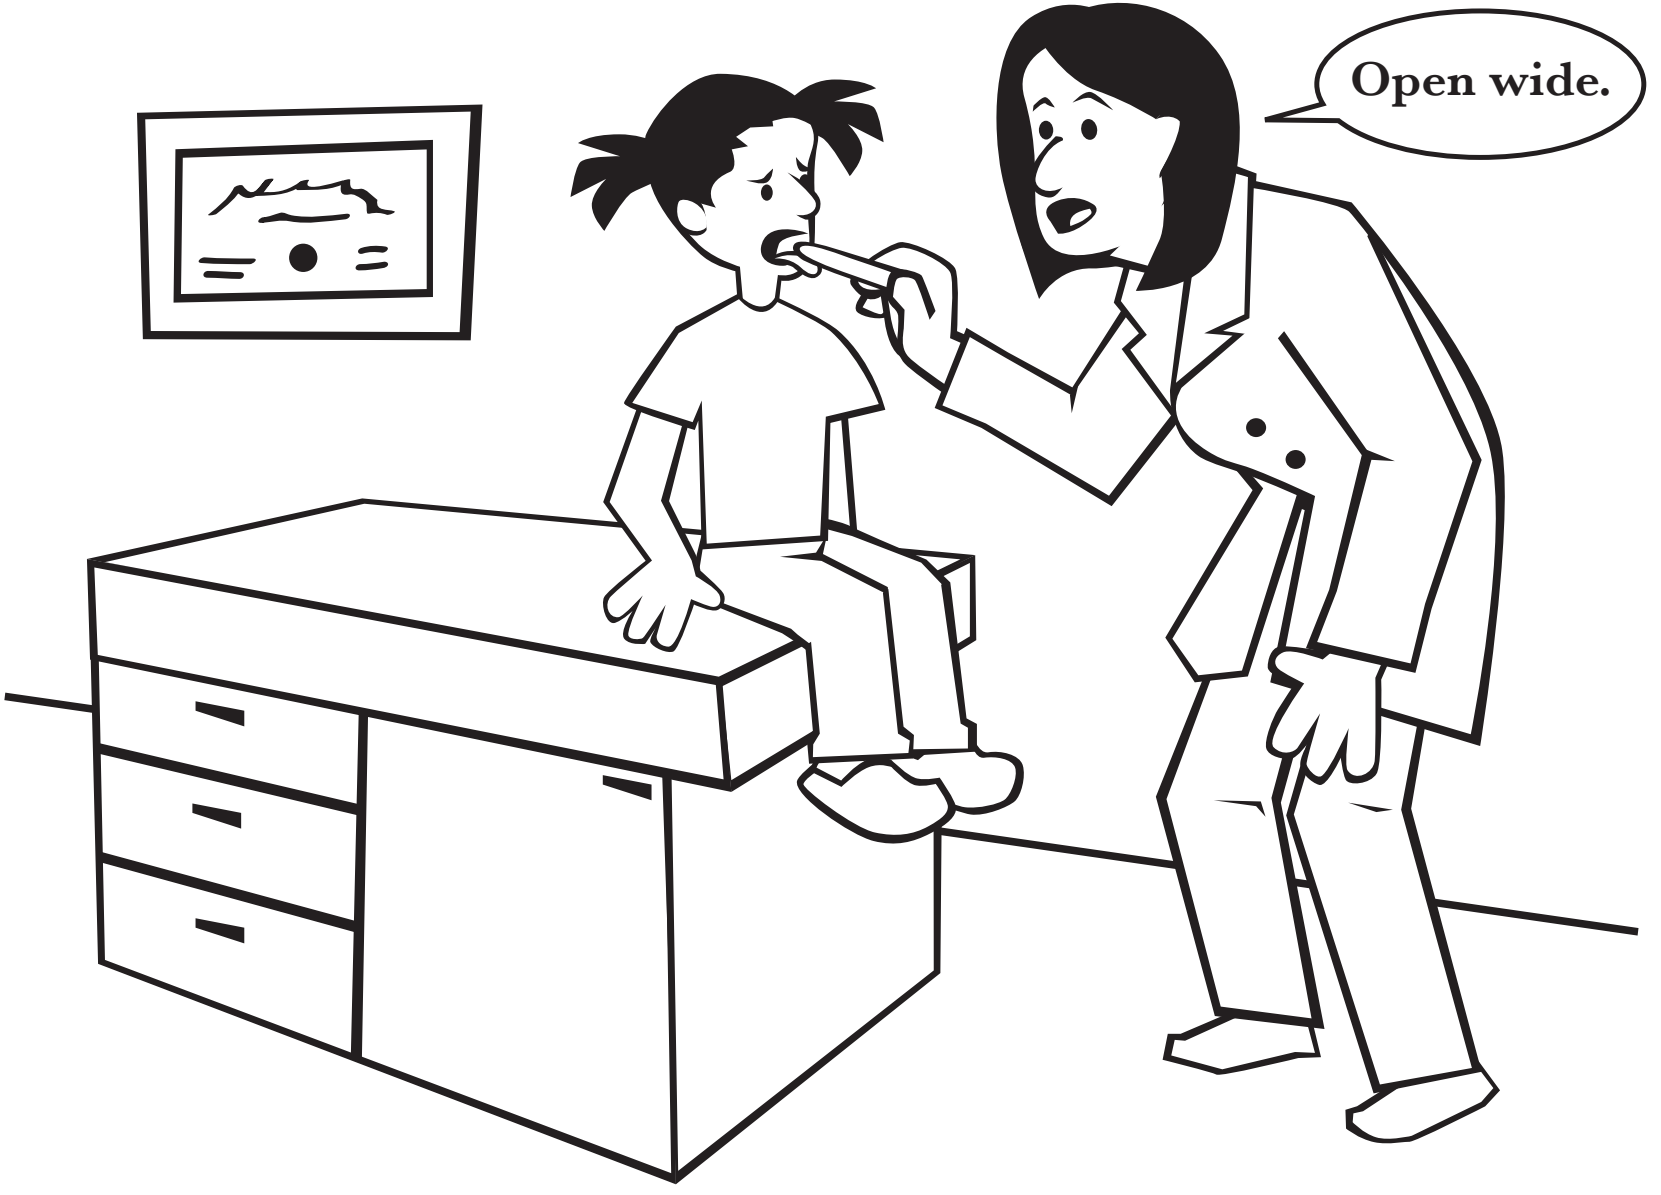
Alaska DEC



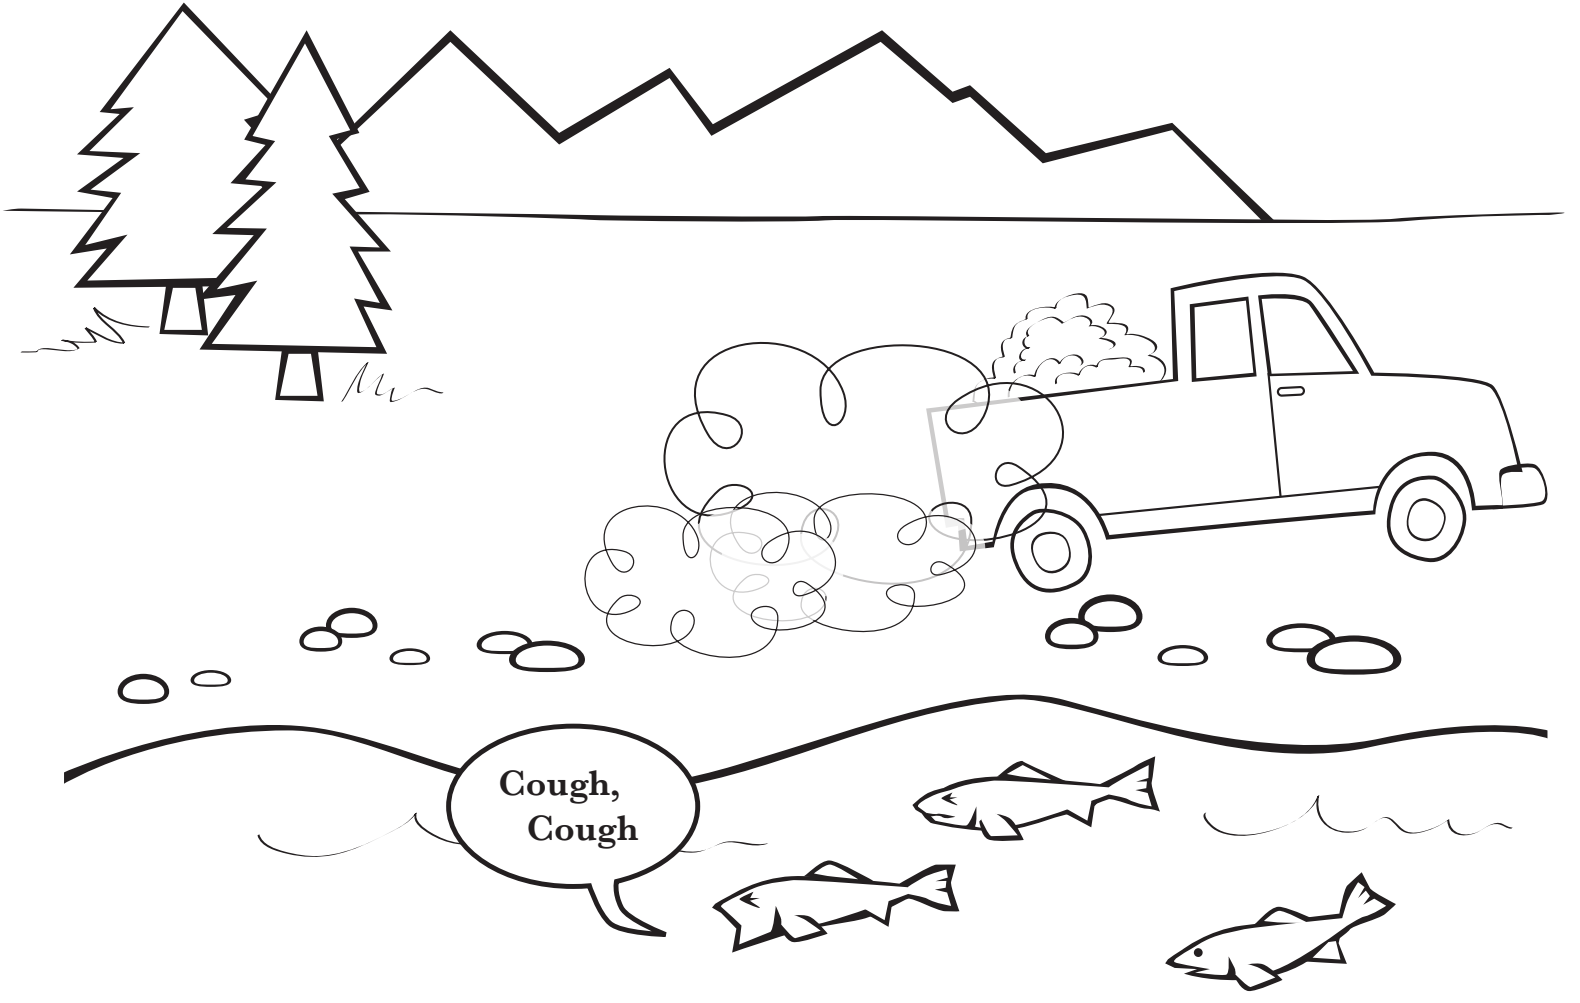
I don’t want to breathe in dust.



I don’t want to eat your dust!

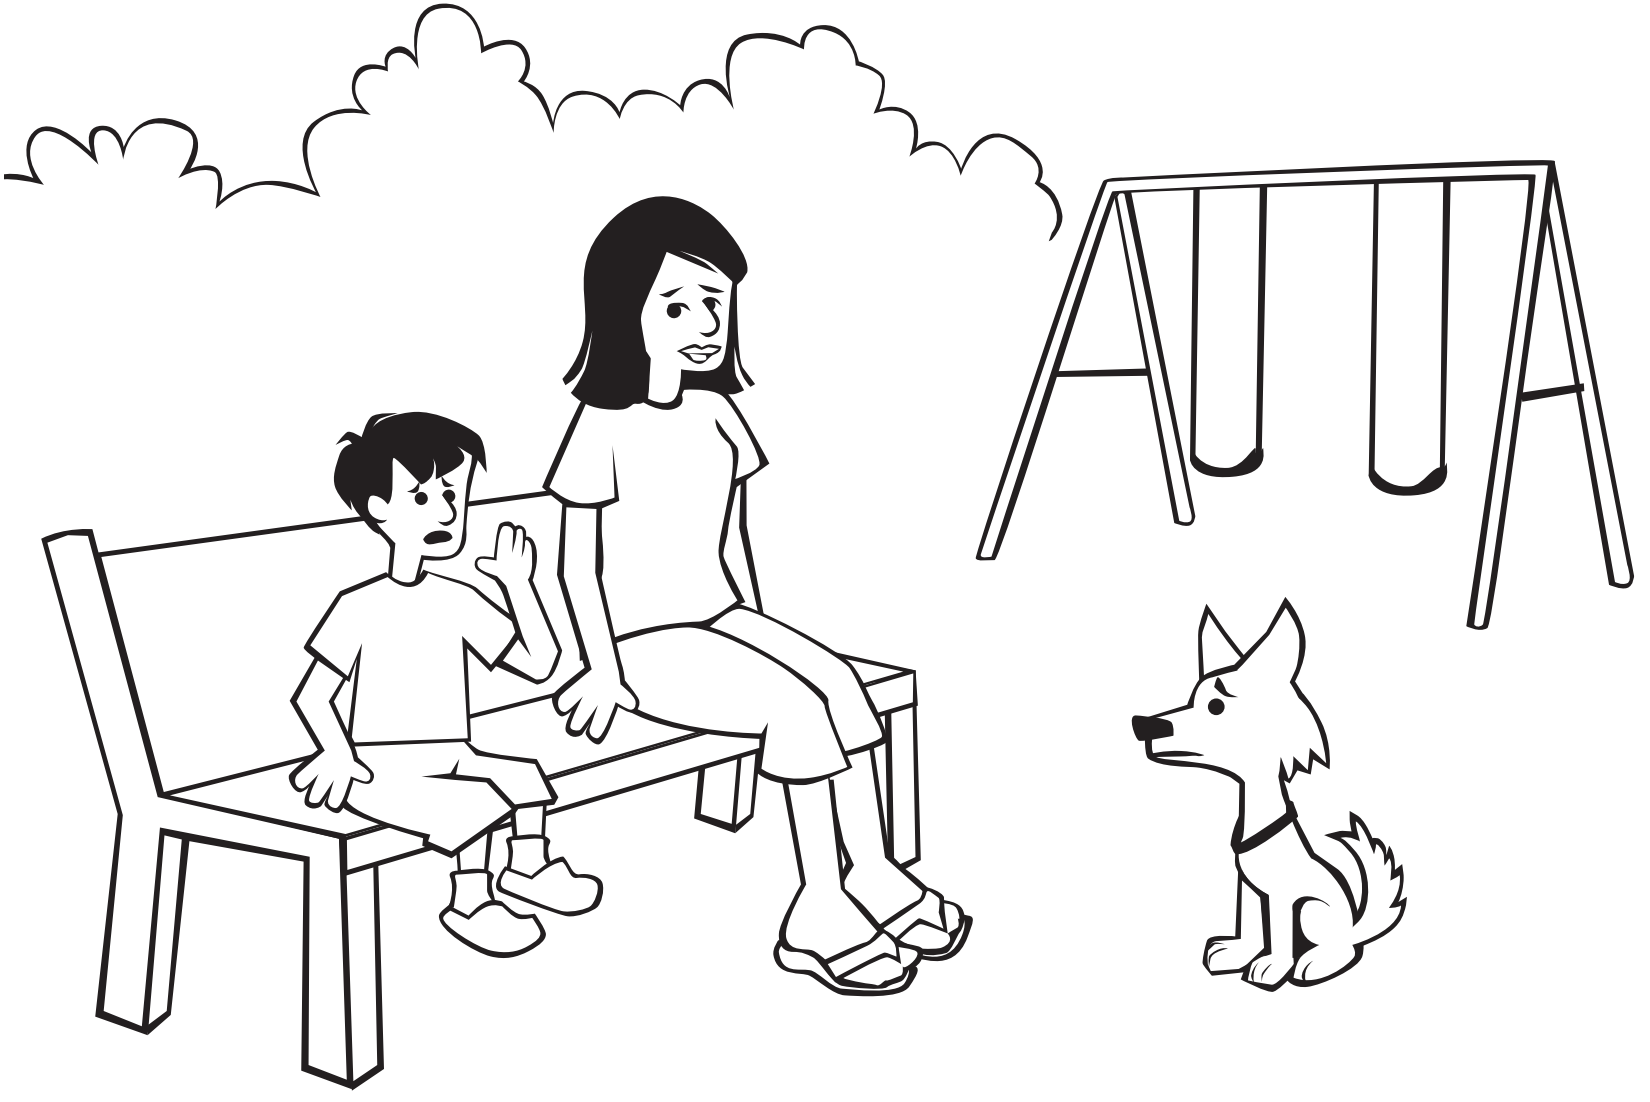


Too much dust can make me sick.

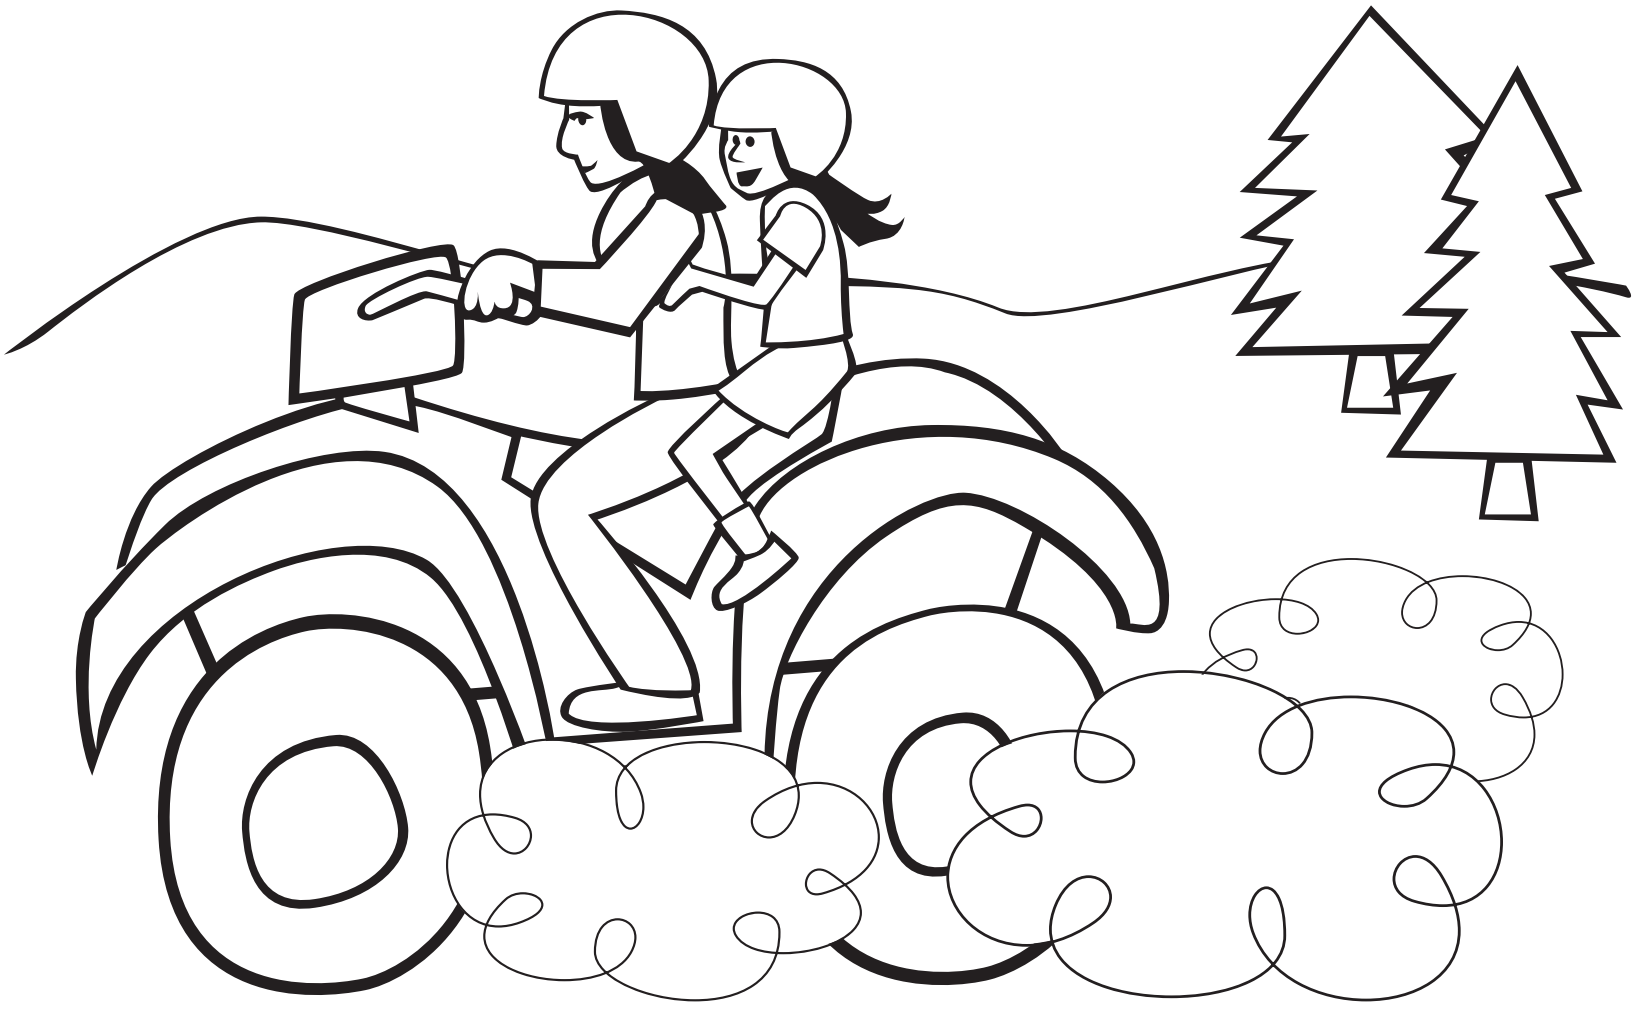


Too much dust can make the fish sick.

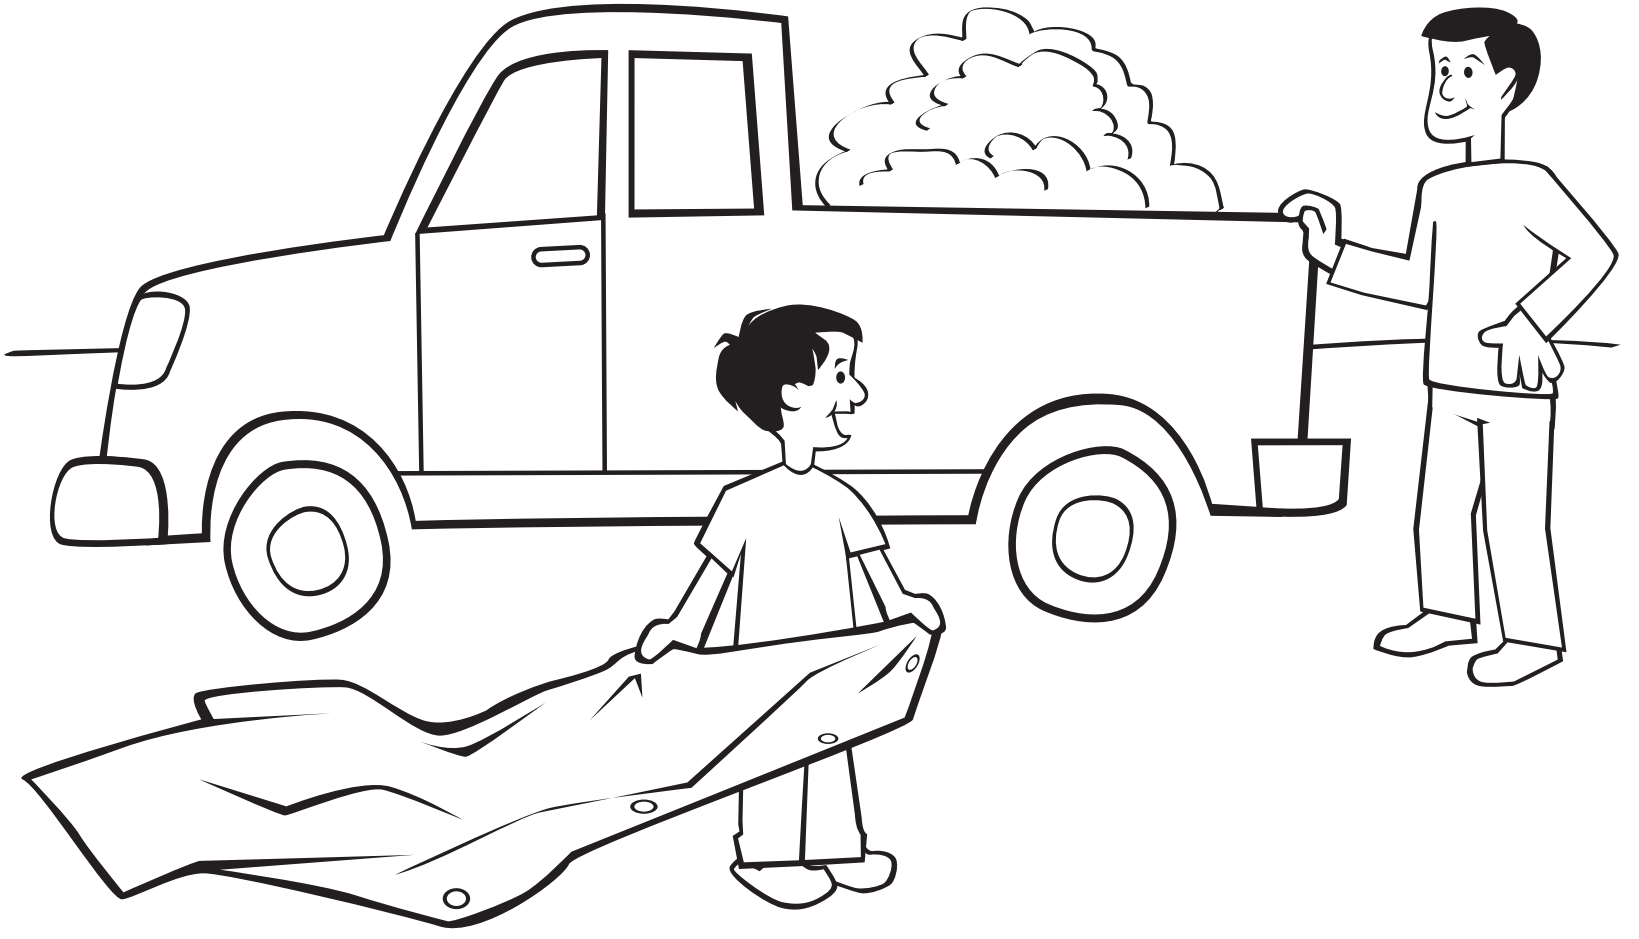
Please Brother, don't drive in the river.
Cloudy water is hard for fish to breathe.



Dust makes it hard for me to breathe.



Please Mom, go slow so we don't make dust for other people.



Please Dad, let's cover the load.

Do your part. Don't make dust and stay away from dusty areas.

Who wants to eat dust? Nobody!

Keep down the dust. We'll all breathe easier.

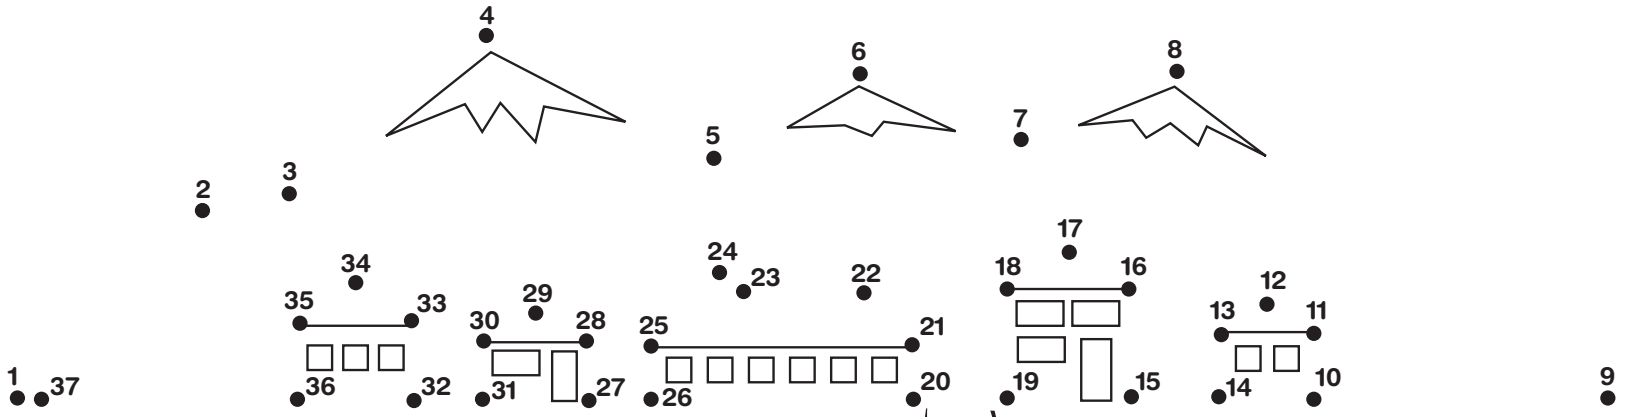
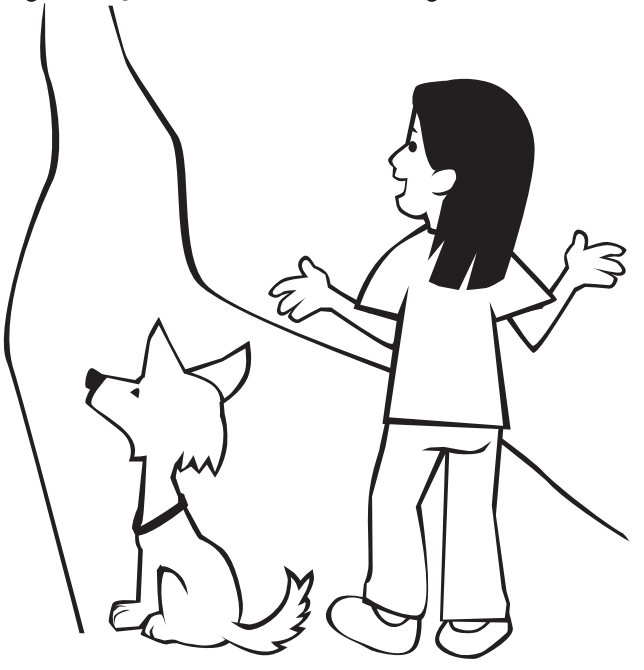
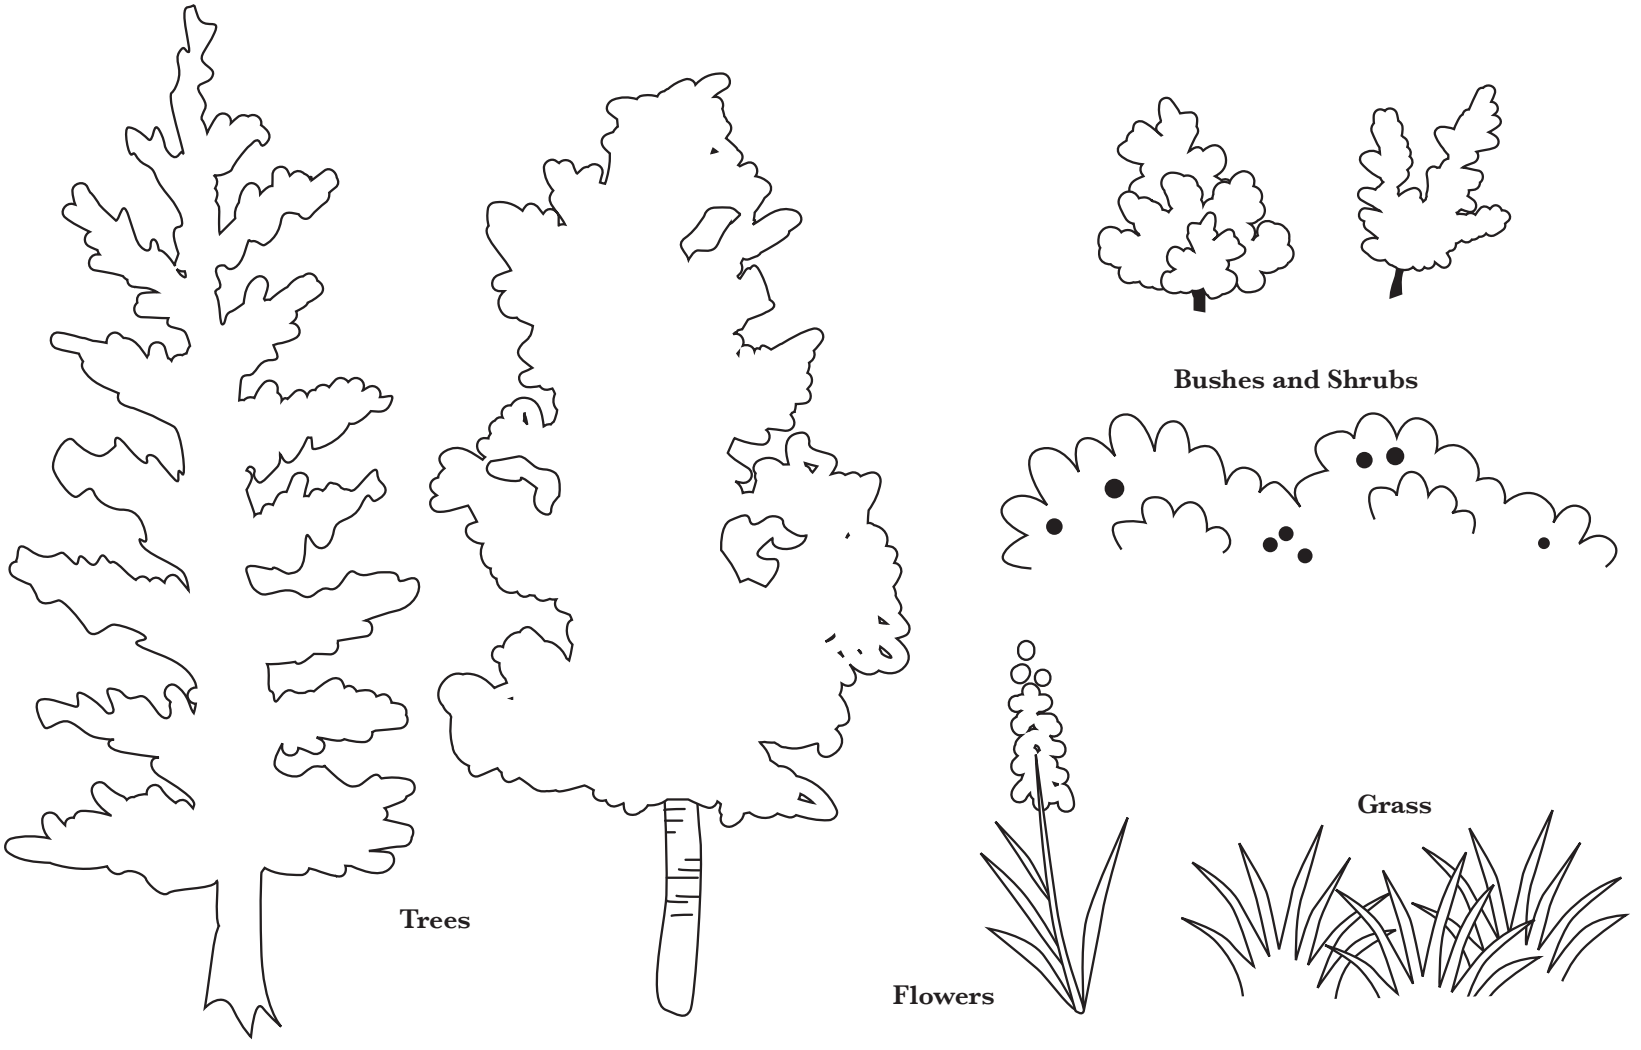
Where are the dusty places in your village? Make a list.

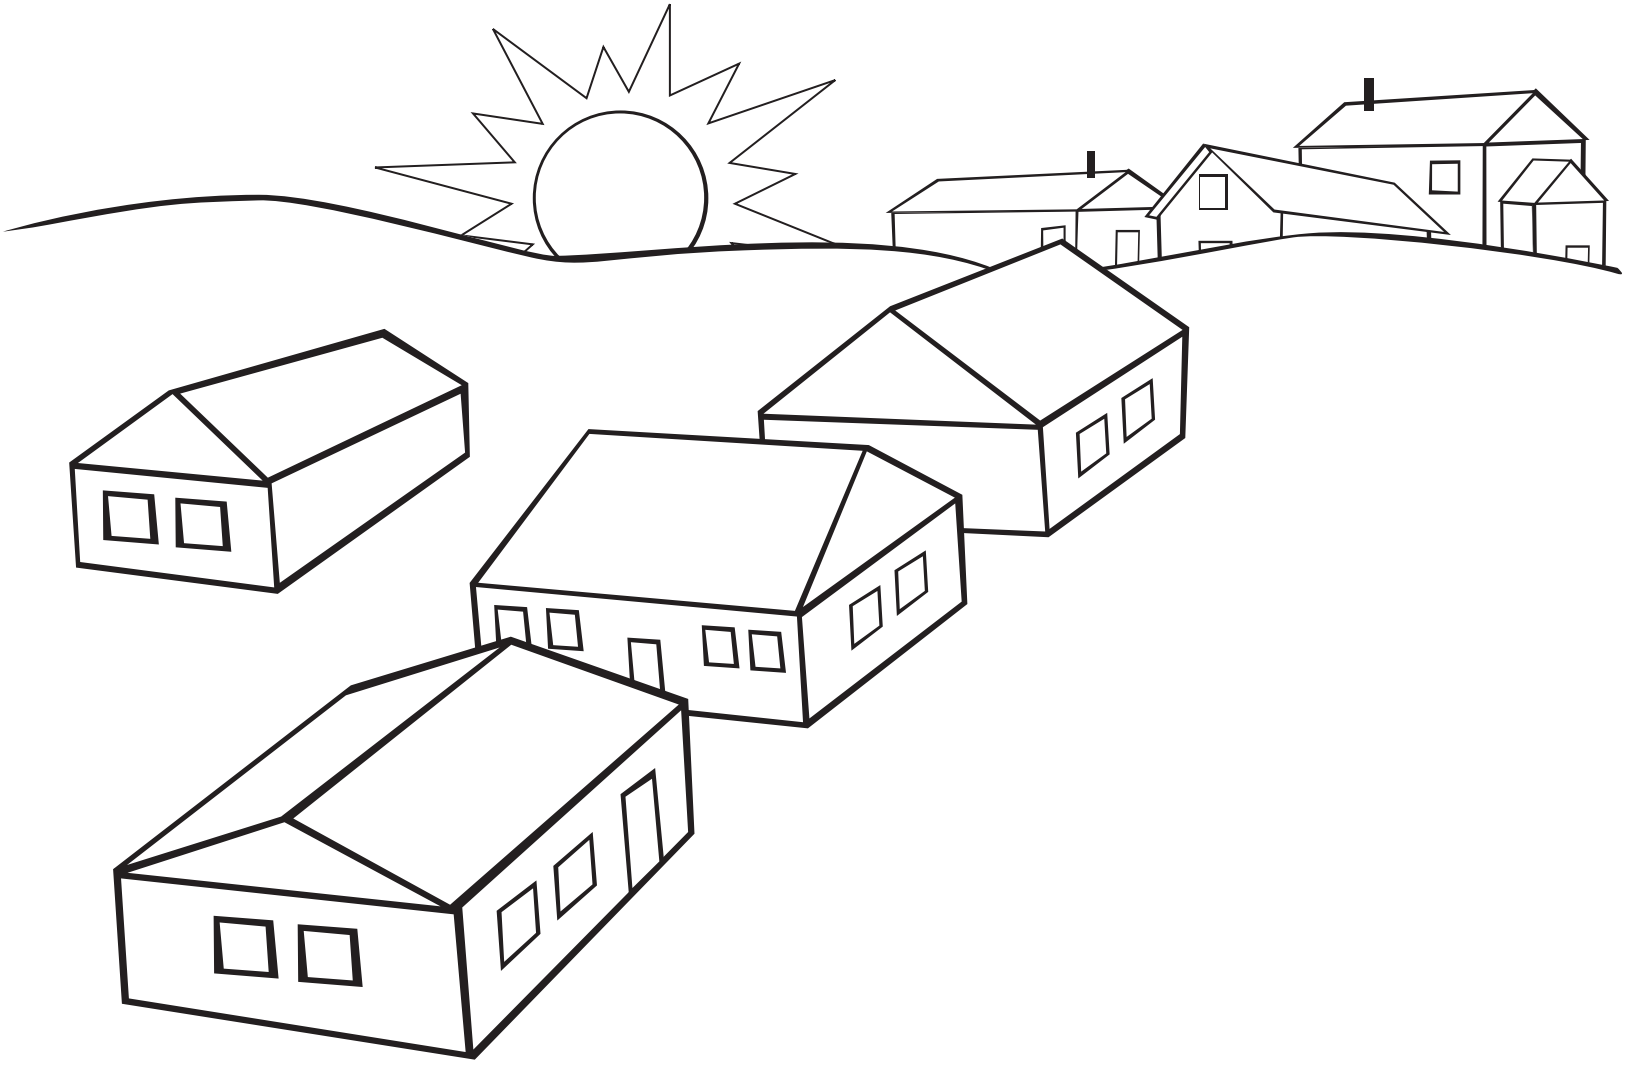




On a dusty day, we can't see the other end of the village. Connect the dots to clear the air. Help keep dust down in your community.



Ground covered with healthy plants makes less dust.



This landscape is missing plants! Help cover the ground with flowers, grass, bushes, shrubs and trees.
